Submitting a notification

In the decision on the authorization of the use of explosives for civil use within the community and in accordance with the provisions of this Decree, it is obligatory to notify the authority issuing the authorization within five days of the delivery or part-delivery of explosives. In the case of non-delivery, the notification shall be made within five days of the expiry of the authorization.

The notification shall be forwarded to the issuing authority.

No attachments to the notification are required.

Processing a notification

The notice shall be evaluated by the authority issuing the license and duly acknowledged. The customer will not be forwarded any separate decision or notification on it by the authority. If the information contained in the notification is not in accordance with the terms of the license, the authority will require the customer to fill in the missing documents. The client shall fulfil the obligation to complete the missing data by using the RHIP-001 ÁNYK form.
