

Another victim identified

Searching for the missing people continues.

The body pulled from the Danube near Százhalombatta in the afternoon of 8 June 2019 was identified. The South Korean woman so far looked for as missing person was the victim of the boat accident of 29 May 2019.

The authorities continue the search for 7 missing South Korean passengers and the Hungarian captain of the boat on the whole southern section of the Danube.

The map shows the places of recovery of the victims of the Danube boat accident.
