

BORDER POLICING OFFICE LŐKÖSHÁZA

Extract of the order of the railway border crossing point Lőkősháza

Agencies at the railway border crossing point of Border Policing Office Lőkősháza operating at border checks and border management shall enhance the execution of the legal provisions by harmonizing their activities, defining the working- and monitoring methods and providing work discipline as well as health and safety.

1. The state border may be crossed at Lőkősháza railway border crossing point by international train service operated for the transportation of international passenger traffic – except for cases defined in relevant provisions.
2. Participants of border traffic must report at the authority (Police) carrying out border check for border crossing clearance.
3. The entry and exit across the state border takes place under the surveillance and with the permission of the officers on duty at Border Policing Office Lőkősháza.
4. The check of passenger traffic normally takes place on the trains.
5. The police officer carrying out border check shall ask the person intending to cross the border to provide their travel document, and other documents required for checking passenger- and vehicle traffic or items that may be in the possession of the person intending to cross the border.
6. Clearance for border crossing is given if the passenger possesses original, valid travel documents - according to regulations in force-, has the necessary supporting documents, and is not subject to restraining orders.
7. The person travelling on a train that is entering the country shall not get off until the whole train has been subject to border check, and domestic passengers may only get on the train after the check has been carried out.
8. Passengers shall get on the exiting train before the border check while the train is waiting. The border crossing train can be left only with the permission of the police officers on duty. Until departure the officers assist passengers getting on the train.
9. The clothes and baggage search during the check at a separate room (check room) takes place in room No 8. of the premises of Border Policing Office Lőkősháza Railway Border Crossing Point.
10. The placement of detained, apprehended person(s) is at the detention room of Border Policing Office Lőkősháza.
11. In order to secure the measures taken in case of ban on entry, the police may designate a place to stay until the next train departure. Border Policing Office Lőkősháza designates the WAITING ROOM OF LŐKÖSHÁZA TRAIN STATION as a place to stay until the departure of the returning train.
12. Anyone who breaches the restraining or restrictive orders connected to the order of the state border, border surveillance or border check, commits administrative offence that may be penalised with up to 50.000 HUF fine.
